All right.
Sleep with me.
Huh?
Let's get some rest and cool our heads.
It ain't like we're gonna die if we don't get out soon.
Hey. C'mere, Anan.

Huh?
You mean that ...

To have sex?

Nobu-san is lying right next to me,

But it's true...
Facing off against zombies non-stop was exhausting...

wouldn't it be better to put the actual words on the ellipses for the parts I can't hear?
So I just had this thought. Since the letters are *clearly* coming out,

Ah. The voice ignored me.

Uwah! The cryptic voice came back!

So,
The voice said ta collect the "shining cups"?
Was there ever an item like that?
There wasn't anything like a Holy Grail...
Maybe it's a metaphor for something?
A breast cup?
Maybe another thing shaped like a cup...
A cup.
So the culprit that threw us into the game
has finally come out...
That's probably the case...
...I see.
From a cryptic voice, ya say.
WOKE UP.
Note: 杯 (hai/cup) = おっ杯 (oppai/boobs)

"It's the trophy that comes with the game."
"...Huh? Something showed up!"
That's IT!
The achievement trophies!
It meant earning all the trophies!
Whaaaat?!
Ain't that a fuckin' pain in the ass!
ゴゴゴゴゴ
RUMBLE
Wah

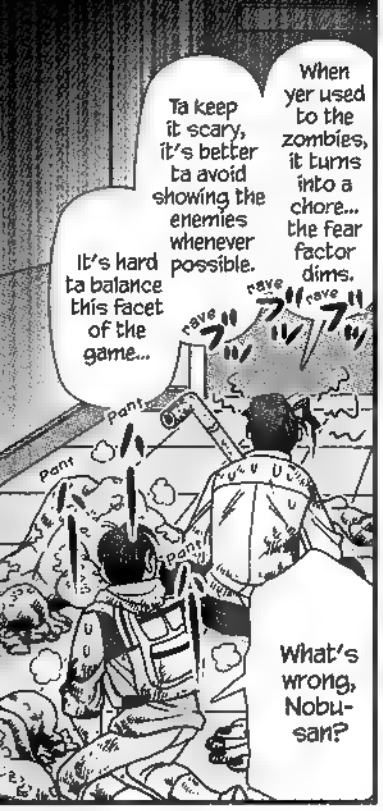
Nobu-san's all fired up...

"TROPHIES"

ARE S*NY'S IN-GAME REWARDS PRESENTED TO GAMERS FOR HITTING SPECIFIC TARGETS OR REACHING CERTAIN MILESTONES.

(EXCERPT FROM WIKIPEDIA)



When yer used to the zombies, it turns into a chore... the fear factor dims.
Ta keep it scary, it's better ta avoid showing the enemies whenever possible.
It's hard ta balance this facet of the game...

I wouldn't have been able to earn all these so quickly, Nobu-san!

How many trophies to go?

Yay! We're almost there!
'Bout 2 ta 3 ta completion.

I'll just go get my fill of him.
"Take a breather."

Huh, ah.
Shut up and don't move.

Nightmare Mode (Hardest Difficulty)

- **Stamina**: Normal Mode x 3
- **Attack Power:** Normal Mode x 3
- **Movement Speed:** Normal Mode x 3
- Special Ability (Teleportation) added.
- During the boss battle, 3 minibosses will spawn at the same time.

The condition for the gold trophy is to...

"Defeat the last boss in 5 minutes or less in Nightmare Mode."

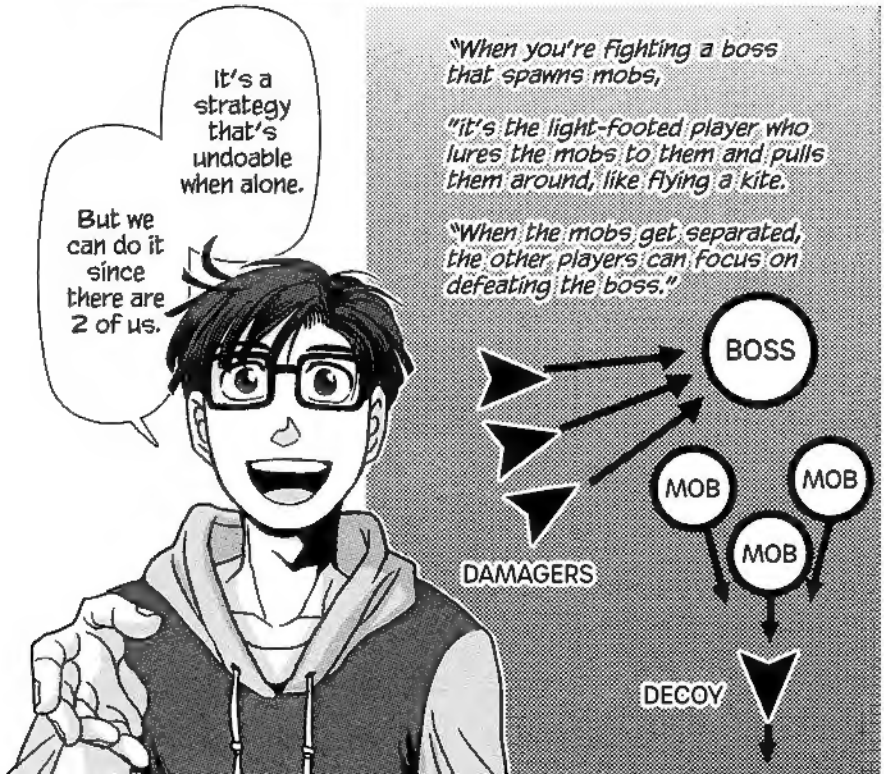
We get the platinum trophy as proof of completing all trophies once we earn this one.

I've been relying on Nobu-san all this time...
Since I'm not a fighter, all I can do is recover while I run...

And ya can't beat the boss if ya don't deal with the small fries.
What do we do with those tricky bastards...
The hard part is the 3 mini-bosses that spawn.
Hmmmmm

siiiigh
...I've been puttin' it off since it will be a pain in the ass ta clear...
It's not just the enhanced last boss,

.....
Nobu-san,
What about "kiting the mobs"?



It's a strategy that's undoable when alone.
But we can do it since there are 2 of us.
"When you're fighting a boss that spawns mobs,
"it's the light-footed player who lures the mobs to them and pulls them around, like flying a kite.
"When the mobs get separated, the other players can focus on defeating the boss."

DECOY

"Kiting the mobs"?
I often do that strategy when playing online multiplayer games.

But this means if ya die, we can't clear this.

I'll be the decoy who'll pull the 3 minibosses, so please defeat the last boss within 5 minutes.

カチャ clack

I can hold out for that long. And I've got healing items with me!

You should be able to defeat the boss before I die, Nobu-san.

You've been protecting me all this time.

I'd like to be able to support you in any way I can.

You've gotten pretty good at this game, too.

ぐりぐり rub rub

Uhga

.....

...Yeah, okay.

All right, then.
Let's put this strategy into action.
Let's make this the last thing we need to do!
Okay!!
